Plant Right for Your Site

This series of three
FREE workshops will
teach you how to
create a beautiful and
healthy yard for kids,
pets and recreation.

Get the dirt on natural yard care. **Workshop details:**

time: 7-9 pm

location: Sammamish Forest Manor Clubhouse
2407 175th Ave NE
Redmond, WA 98052

register: 425-284-1277 or
register@naturalyardcare.com

Learn how to maintain and improve your yard using methods that manage pests without harmful chemical pesticides, reduce water usage and build healthy soil. We'll also share tips about choosing and managing a landscape service to ensure your yard is healthy and safe for your family to enjoy.
